EXPLORATORY ADVISING

Auburn's EXPL Major, Explained

What is EXPL?
The Exploratory Advising Center supports students wishing to utilize their freshman year exploring the 140 majors offered at Auburn. Students may apply as Exploratory and spend up to two semesters determining the ideal major for their academic and professional goals. The Exploratory Advising Center employs advisors and counselors who provide intensive and personalized support facilitated through UNIV 1150, a two credit hour course. The goal of the Exploratory Advising Center is to ensure Auburn students choose a major with confidence and remain on track to graduate in four years.
